

## RECOGNITION

On completion of the course in Building and Construction, students are eligible for four VCE VET Units on their VCE Statement of Results. Two VCE VET units are deemed to be at unit 1 & 2 level and two VCE VET units are deemed to be at 3 & 4 level.

Partial completion of the program entitles students to a pro rata number of VCE VET units. All completed VCE VET units will be recorded on the VCE Statement of Results.

Students can accumulate VCE VET units over more than one year.

Students interested in the contribution of this subject towards their ATAR score should speak to their Careers Counsellor.

This program is suitable for the industry skills component of a VCE-VM Course.

## COURSE COST

Refer to information provided by your home school.

## WORK PLACEMENT

It is highly recommended that students complete a work placement.

## YARRA VALLEY VET CLUSTER

Billanook College

Healesville High School

Lilydale Heights College

Lilydale High School

Mooroolbark College

Mount Evelyn Christian School

Mount Lilydale Mercy College

Yarra Hills Secondary College

Upper Yarra Secondary College

### RECOGNITION OF PRIOR LEARNING

Students who feel that they have previous building education or work skills may apply to the VET Coordinator to have their current competencies assessed.

### COMPLAINTS POLICY

Students who feel that they have been unfairly treated as part of their enrolment or enrolment procedure may apply to the VET Coordinator for an application to process their claim under the school/training provider's complaints policies and procedures

# 22338VIC CERTIFICATE II IN BUILDING AND CONSTRUCTION

*Current as at July 2023*

**Disclaimer:** All effort has been made to ensure that the information contained in this brochure is correct at the time of publication. However, the information in this brochure is subject to change

## AIMS

The course in Building and Construction aims to:

- Provide participants with knowledge and skill development to enhance their employment prospects within the building and construction industry.
- Enable participants to gain credit towards a nationally recognised credential and to make a more informed choice of vocational and career paths.

**This course is conducted at:**

**Mount Lilydale Mercy College**

1.15pm – 5.15pm Wednesday

Mount Lilydale Mercy College offers this course as a partial completion on behalf of Box Hill Institute RTO Number 4687. Certificates will be issued under the Box Hill Institute banner

**Top Up** - Completion of additional full day sessions in December allow students to complete the full pre-apprenticeship over the two years. An additional materials fee is charged for the Top Up for students who choose to access these additional days. Top Up is in addition to the UOC's needed to satisfy VCAA requirements for Unit 1-4 sequence.

## Ranges TEC

Ranges TEC only offers 1st year as a PARTIAL COMPLETION ONLY

12.30pm - 5.00pm Wednesday (TBC)

## The Certificate II in Building and Construction

**Course is completed over two years.**

**Units of competency are selected from the following:**

### Units 1 & 2

- CPCCWHS1001 – Work Safely in the construction industry
