This brochure contains a summary of parts of the VCAA publication "VET in the VCE, AHC20416 Certificate II in Horticulture." It should be read in conjunction with that publication and the current accredited training curriculum. This program is suitable for the industry skills component of a VCAL course.
On completion of the certificate, students are eligible for four VCE VET units on their Statement of Results.

Students who complete this certificate are eligible for recognition of two or more units at Units 1 and 2 level and a Units 3 and 4 sequence.
Students who receive a Units 3 and 4 sequence for VCE VET Horticulture will be eligible for an increment towards their ATAR (10% of the average of the primary four scaled studies). The increment is awarded by the Victorian Tertiary Admissions Centre (VTAC). Further information can be found on the VTAC website: www.vtac.edu.au

AIMS
The program is designed to provide students with an understanding of the practices that occur in horticultural operation and allow them to experience and develop horticultural skills in real workplace situations.

POTENTIAL CAREER AND EMPLOYMENT OPPORTUNITIES

This qualification is nationally recognised with competency standards to provide a solid foundation for employment or further studies in the horticultural industry.

Many horticultural enterprises within our region are mixed activities operations, and the industry needs employees who are multi skilled across the main areas of Horticultural work. Due to the programs multi sector approach it enables students to develop skills suitable to a range of enterprises. It will also enable students to experience different fields of horticulture, which will help them to decide on future study or career paths.
